

EnglishClip - Describing Objects

Sara: Hi Kate, I just bought a new backpack!
 Kate: Really. What's it like?
 Sara: It's small, lightweight, and it has lots of pockets.
 Kate: What's it made of?
 Sara: Bright red nylon; it's waterproof.
 Kate: Sounds great for school.
 Sara: Yeah, I'll use it to keep my books dry.

It's quite small, blue and round shaped.

It's made of plastic and metal, and it has two bells.

I use it to wake me up.
