

Wiser - performed by Madilyn Bailey

I thought that it was to die your arms
I you in I you see this heart
Lesson sometimes love goes your back
I guess that's just the we find who we are
Was it all it

I'm from the you I feel no pain
Wiser from the I braved yeah I want to
Thank thank
For my showing me you are
I'm wiser from the you made
Wiser

It melts the price I to taste your
No more those embers they just burn to
Turning pages bruises and I it the deep
I earned my from battle cries this is
Was it all

I'm from the you I feel no pain
Wiser from the I braved yeah I want to
Thank thank
For my showing me you are
I'm wiser from the you made

Because of you I will be a
Boy it was

I'm from the you I feel no pain
Wiser from the I braved yeah I want to
Thank thank
For my showing me you are
I'm wiser from the you made
